

About NaBFID

National Bank for Financing Infrastructure and Development (NaBFID) has been set up under an Act of Parliament (NaBFID Act, 2021), as the principal entity for infrastructure financing in the country. The entity is regulated and supervised as an All-India Financial Institution (AIFI) by the Reserve Bank of India (RBI). NaBFID is poised to play an extremely crucial role in supporting infrastructure funding by driving the development of innovative financing instruments and development of bond and derivatives markets and promoting best practices in financing and data-driven risk management.

*NaBFID is looking to hire a strong leadership team, committed to the cause for which NaBFID is set up and to help with the national agenda, inviting applications for role of “**Vice President – Lending & Project Finance, Sector Expert (Power)**”.*
